

# California Society of Anesthesiologists Annual Meeting and Clinical Anesthesia Update

May 15 – 17, 2009

## Hyatt Regency Monterey Resort & Spa on Del Monte Golf Course Monterey, California

### *Program includes:*

- Anesthetic Management of the Patient with Carotid Artery Disease
- Anesthesia for Minimally Invasive Thoracic Surgery
- Acute Pain Management: Complications and How to Avoid Them
- Myths in Pediatric Anesthesiology
- New Perioperative Guidelines
- Pacemakers & AICD Devices for the Non-Cardiac Anesthesiologist
- Neuroanesthesia for the Very Occasional Neuroanesthesiologist
- Depth of Anesthesia and Its Implications
- TEE to the Rescue
- Anatomy of a Lawsuit
- *Leffingwell Memorial Lecture* by Myer H. (Mike) Rosenthal, M.D.
- Cardiac Disease in Pregnancy
- Pediatric Emergencies
- Update on Malignant Hyperthermia
- Anesthesia and the Morbidly Obese
- Neurologic Complications of Regional Anesthesia in Obstetrics
- Anesthetizing the Pediatric Patient with Co-Existing Disease
- Ultrasound Guided Regional Anesthesia
- Optional Workshop – Ultrasound for Regional Anesthesia (hands-on)

### *Educational Information*

The California Society of Anesthesiologists is accredited by the Accreditation Council for Continuing Medical Education to sponsor continuing medical education for physicians.

The California Society of Anesthesiologists Educational Programs Division designates this educational activity for a maximum of **18 AMA PRA Category 1 Credits™**. Each physician should claim only those credits commensurate with the extent of their participation in the activity.

## **Hotel Rates** (not including tax)

### **Hyatt Regency Monterey Resort & Spa, Monterey, CA**

Make your own arrangements:

From LAX, **American Eagle Air**

From San Jose or San Francisco, **Monterey Airbus 831-373-7777** or  
**www.montereyairbus.com**

## **Faculty**

**Earl Strum, M.D.**  
**Program Chair**

USC Keck School of Medicine

**Rodolpho Amaya, M.D.**

USC Keck School of Medicine

**Richard L. Applegate, II, M.D.**

Loma Linda University School of Medicine

**Daniel J. Cole, M.D.**

Mayo Clinic, Phoenix, Arizona

**Adrian W. Gelb, M.B., Ch.B.**

University of California, San Francisco

**Gligor V. Gucev, M.D., MSEd**

USC Keck School of Medicine

**Narasimha R. Gundamraj, M.D.**

USC Keck School of Medicine

**Zeev N. Kain, M.D.**

University of California, Irvine

**Wayne A. Kaufman, M.D.**

USC Keck School of Medicine

**Philip D. Lumb, M.D.**

USC Keck School of Medicine

**Linda J. Mason, M.D.**

Loma Linda University School  
of Medicine

**Karen S. Sibert, M.D.**

Cedars Sinai Medical Center

**Samuel H. Wald, M.D.**

UCLA School of Medicine

**Mark I. Zakowski, M.D.**

Cedars Sinai Medical Center

This program is intended for anesthesiologists, residents, other physicians with interest in the specialty, and allied health professionals who work in the specialty of anesthesiology. Attendees will be provided with contemporary clinical presentations to enhance their knowledge and management of anesthesia care. Attendees will also have the opportunity for interactive discussions and questions with the faculty.

## **Monterey**

There is a lot to do in Monterey. Your trip won't be complete without a visit to the world-famous Monterey Bay Aquarium, and historic Cannery Row. Charming Carmel-by-the-Sea is just down the road, and offers unique shopping and dining experiences. The area features abundant opportunities to experience the beauties of nature, including Point Lobos State Reserve, "The greatest meeting of land and water in the world." The Monterey Peninsula is a golfer's delight, featuring more than a dozen courses, including one at the Hyatt Regency Monterey.

## **CSA House of Delegates New Schedule**

### ***House of Delegates Dinner***

**Friday, May 15**

**6 – 8 p.m.** This dinner is for CSA delegates, alternate delegates, district directors, past presidents and officers.

### ***CSA House of Delegates***

**Saturday, May 16**

**8 – 8:45 a.m. First Session** Issues and reports to be considered and voted on in the afternoon session will be explained.

**9 – 11 a.m. Issues Discussion Forum** (Formerly the Friday night Reference Committee). Issues introduced at the morning session of the House of Delegates will be discussed. Any delegate or CSA member may speak to the issues during this time.

**2 – 4 p.m. House of Delegates Second Session** The House of Delegates will reconvene after lunch to vote on recommendations developed by the review committee following the morning session.

## Workshop

### Ultrasound for Regional Anesthesia Workshop

*A hands-on workshop using live models*

**Saturday, May 16      1:30 – 4:30 PM**

Advance Registration is required. Limited seats available.

## Educational Objectives

The goal of this program is to provide participants with the necessary information to increase knowledge and improve performance through the accomplishment of these objectives. At the end of this course, the participant should be able to:

1. Discuss gross anatomy of peripheral nerves of upper/lower limbs, relevant for regional anesthesia.
2. Apply the basic principles of ultrasound to regional anesthesia.
3. Identify surface and ultrasound landmarks required for practice of safe regional anesthesia.
4. Identify peripheral nerves in upper/lower limbs with ultrasound.
5. Practice needle alignment and placement skills on artificial medium.

## Faculty - Ultrasound Regional Anesthesia Workshop

**Gligor Gucev, M.D., MEd**

**Workshop Director**

Assistant Professor of Clinical Anesthesiology  
USC Keck School of Medicine

**Dimiter Arnaudov, M.D.**

Assistant Professor of Clinical Anesthesiology  
USC Keck School of Medicine

**Narasimha Gundamraj, M.D.**

Assistant Professor of Clinical Anesthesiology  
USC Keck School of Medicine

**Jack Berger, M.D., Ph.D.**

Professor of Clinical Anesthesiology  
USC Keck School of Medicine
