

**California Society of Anesthesiologists Annual Meeting  
and Clinical Anesthesia Update  
May 14 – 16, 2010**

**Hilton Costa Mesa/Newport Beach  
Costa Mesa, CA**

This exciting and innovative program looks into the future of the specialty of anesthesiology, from upcoming changes in clinical practice, to practice management, to the impact of proposed government changes.

On Sunday, there will be a hands-on Ultrasound for Regional Anesthesia Workshop. Separate registration is required. Saturday, corporate communications coach Cheri Kerr will lead a two-hour interactive session, *Effective Communication Skills in the Perioperative Setting*. Also on Saturday, Dr. Oswald Steward will deliver a lunchtime speech on the future of stem cell research and therapy.

In addition to the scientific sessions, the meeting includes the annual political and governance functions of the CSA. These include the CSA Issues Discussion Forum and House of Delegates, the CSA Resident Research Awards, and the Forrest E. Leffingwell Memorial Lecture.

You may register for the entire course, or opt for daily registration to select the portions of the program of greatest interest to you. We hope that you will enjoy this program and invite you to explore the many activities and attractions offered by Orange County.
